

Lazy John (G)

Lyrics

[chorus]

Lazy John, lazy John

Why don't you get your day's work all done

You're in the shade and I'm in the sun

Why don't you get away lazy John

[verses]

Work all week in the noon day sun

Fifteen cents when Saturday comes

Goin' to a dance to have some fun

Why don't you get away lazy John

My gal lives at the end of the road

Her eyes are brown and her legs are bowed

But we sure do have a lot of fun

Why don't you get away lazy John

Going to a dance Saturday night

Ain't coming home 'til the broad daylight

Then I'll take my girl back home

Why don't you get away lazy John
