

Rock the Cradle Lucy

Additional Lyrics not in Songbook

Lyrics

[chorus]

Rock him high and rock him low
Wrap him up in calico
Rock him north and rock him south
Put a little moonshine in his mouth

[verses]

Rock the cradle Lucy
Rock the cradle long
Rock the cradle Lucy
Keep that baby warm

Rock the cradle Lucy
Rock it Lucy low
Rock the cradle Lucy
Don't let that baby go

Definitions

calico - a printed cotton fabric
moonshine - homemade corn whiskey
